

Abby

November 18, 2025

Abby lived her 12 years to the fullest, chasing squirrels, swimming at the lake, playing with her endless supply of toys, and “talking” to us in her own unmistakable way. She ruled the house with her big personality and loyal heart, and she took her job as Watch Dog very seriously. She loved her parents, baths, bones, car rides, and trips to the park. Her spark and presence are greatly missed.
