

Ace Canada

March 16, 2026

Ace Canada was born on February 18, 2013, and became a part of our family through adoption through the Amarillo Panhandle Humane Society in May 2013. He was such a loyal and loving companion and our best friend and fur kid. He was loved by his Mimi and Grandpa, and Grandma Betty and was the best big brother to his two sisters Hanne and Bella. Ace was a protective soul and allowed only a few to be part of his “approved human” clan. He loved with his whole heart and gave the best hugs and kisses. Ace crossed the Rainbow Bridge on March 16, 2026, at the age of 13 years. He is greatly missed and will be for the rest of our lives. We find joy in knowing he isn’t struggling anymore and is now with his little sis, Hanne. Run free sweet boy and give Hanne a kiss from us. You will always be our special and the handsomest boy who is loved ever so much.
