

Annie

July 4, 2011 - May 27, 2025

She was a special 4th of July kitten that was a wedding gift from my husband's Mom. She was the first fur child of a loving family for 14 almost 15 years. She loved her kitty sister, her 2 dog brothers and her human sister. She was feisty, fearless and always stood up for her siblings no matter what. She loved her Dad and human sister with cuddles 24/7. She always wanted to eat hamburger meat and vanilla ice cream. She loved to play on a kitty spin ball toy with a crinkly butterfly on top. She will be missed dearly.
