

Annie

April 21, 2023

Annie was the sweetest girl. She was always a favorite when on walks. She loved everyone and everyone always loved her. She had the sweetest, kindest spirit and would let you pet her 24/7. We will love and miss you forever our sweet Annabelle Lucy.

“ *Every time I showed up to Annie’s house she was always up to a good ol belly rub and a petting down as well. She was the most gentle and kind dog there ever was. Annie we sure are going to miss you, but we know you’re no longer hurting and that makes us happy.....love you sweet girl 🐾🐾*
