

Baxter

April 20, 2008 - August 4, 2023

Dear Stinky Bear,

Ever since we got you 14 years ago we knew you were special and perfect for our family. You would follow around your brothers and sister. Even try to go to school with them. You would give Mom a kisses everyday when she got home. And you always had to ride with Daddy when he went anywhere. His road dog. Will never forget your bark or when you would "smile." But we know you're in heaven in the clouds. Not in any more pain running and hopping around. You are deeply missed and loved very much.

Love you always,

Your Family

“ *Baxter you were a groomers ‘dream dog’ ! I’m gonna miss you very much. You don’t get very many dogs so sweet, well behaved, and a Dallas Cowboys fan. I kno your family is broken hearted to have loss you but so very lucky to have had you in there life for so long. See you Baxter on the other side by the Rainbow Bridge. It was my pleasure to kno you. 💔*
