

## Baylee

May 31, 2012 - August 14, 2025

Baylee was born May 31, 2012

Baylee (babygirl) joined the family shortly later at 8 weeks of age. She grew up with her mentor Ozzy and these two became inseparable. Baylee and I grew together with unconditional love for each other.

Baylee loved her toys and Christmas. Getting her stocking filled with goodies was absolutely breathtaking to watch. She learned a trick for her treats, laying flat on her back with paws straight in the air until someone said dead dog, and over she would roll ready for her cookie.

Baylee was amazing and had lots of love to go around. She was preceded in death by her companion Ozzy in 2022.

We will forever love our baby girl and will miss her so much every day. She is loved dearly. Baylee crossed that rainbow bridge August 14, 2025 and left us all with the most pleasurable memories.
