

## BellaMae

September 3, 2014 - June 27, 2025

BellaMae came into our home and hearts at 8 weeks of age from a ranch in Santa Rosa, NM. She loved to play ball, ride in the Polaris, go on walks and run in the snow. She traveled with us everywhere we went (she made the "traveling team"). She loved spending her summers in Northern New Mexico. She was the center of our family for 11 years. We will miss her greatly. All joy, all unconditional love. A pure reflection of her creator and ours.

“ *BellaMae and her parents Peter and Ginger are our neighbors. We loved seeing Bella on her walks with her parents. We never minded when she'd jump up a bit to greet us. She was a beautiful dog, and we too will miss her.* ”
