

Bentley Bean

April 14, 2023

Bentley Bean

My little jumping bean....you will forever be loved and missed!

I adopted Velma (who became known as Bentley) from the Lubbock SPCA
April 12, 2014.

She instantly became a part of the family and was loved by everyone.
She was so quiet and sweet, but had an ornery side that came out
occasionally.....hanging from the tree by her teeth or eating the cover of her
pillow. She loved her fur-brother Harley and she loved treats!

April 14, 2023.....Bentley, you'd been by my side for 9 years and letting you
go was one of the hardest things I've ever had to do.....run free sweet girl.
You are free from all the pain.

I love you so very much!!
