

Bentley Luke

June 21, 2023

Bentley Luke was more than just a dog to me he was my fur baby. I remember so vividly the day I met him, my mom took me to a friend of friends house to choose the puppy that I wanted. I knew instantly when he looked my way and gave me those puppy eyes. That he was going to home with me. He was a loving, very curious, happy dog. Bentley honestly knew no stranger, he loved to be the center of attention when it came to getting his belly rubs. Bentley was with me for half my life, he was there for me through all of high school, he was there with me when I got my first job, my first apartment, and most importantly he was there for me when I was pregnant. Bentley was the best fur baby to my real baby. I will forever be thankful that I had 16 years with him, I will always remember him and all his silly curious adventures. I love you Bentley, we all do. & I will miss you for the rest of my life.
