

## Bliss "Blissy" Vaughan

March 29, 2013 - March 3, 2025

Bliss embodied the true meaning of 1 Corinthians 13:4-8. She was patient, kind, and loved with every fiber in her, every moment of her life, until the very end. Bliss never left our side. She was at our feet every second of every day. Her sole purpose in life was to love and be our best friend, and she did so with all her heart until the very end. Bliss was the best dog and friend we could ever have asked for, and we miss her deeply. Until we meet again our sweet girl.
