

Bruiser

May 31, 2009 - June 8, 2023

My sweet baby boy Bruiser has passed over the rainbow bridge last night at 9:15pm at the age of 14 yrs old. He loved chasing balls, chewing sticks, barking at squirrels and best of all eating snacks and bedtime snuggles. He came to us while I was travel nursing in Pueblo CO. He was with us for only 8 short years and he was the bestest boy dog anyone could ever ask for. I can't believe he's gone. Only sunshine for you now booboo no more thunder to make you scared. We will miss you but we will see you again someday my sweet bean 🙏💔📺 Mommy, daddy, Coconut and Charlie love you so much! Miss you already my sweet baby boy.
