

Bruno

November 2, 2025

We adopted him at the end of March this year. He was adopted from an English Bulldog Rescue center.

Bruno was 5 years old. He was obsessed with riding in vehicles. He didn't care who's vehicle it was, he was ready to ride! He was happy all the time and he loved to eat. He was Raymond's shadow and his ESA (Emotional Support Animal).

He was only with us 7 1/2 months, but during that time he brought so much joy to us!! His passing was so sudden and unexpected, we weren't prepared for it!! He woke up his cheerful self, had breakfast and collapsed!

He will always remain in our hearts.
