Buddy

09-14-2013  01-05-2025

Buddy was only four months old when we adopted him in 2013. From the start, he was fun, playful, and loving—and he made friends everywhere he went. So much so that he always had other furry friends visiting him in our yard.

Once, he even decided to take his own little field trip with a newly found friend, tagging along as they visited kids at an elementary school. 😊 They both eventually got picked up by the pound (and yes, the pound tried to convince me to take his friend home too).

Buddy also had a love for flowers—as sneaky snacks—so good luck ever leaving those unattended.

You changed our hearts forever. Thank you for protecting us and being loyal to the very end.

“Well done, good and faithful servant.”
