

## Bullet

November 13, 2015 - February 6, 2025

Bullet was brought into this world on November 13, 2015 in Canyon, TX. In December of that year we brought him home where we instantly loved him. Bullet was with us through so many low times and so many good times. He was always loyal and always brought a smile to his parent's faces. He was loved more than anything in this world, but he was taken too from us too soon. We know he crossed the rainbow bridge and waits for us in heaven and we just can't wait to see him again. He loved more than anything to play fetch with his toys and to beg mom and dad for food scraps. We only pray he is playing with his brothers and sisters in heaven waiting for mom and dad to give him "pets" and scratches again. We will always love and miss you baby Bullet.
