

Buster Allan Buckner

March 5, 2014 - March 25, 2025

Buster Allan Buckner was born on March 5th 2014. He was the best, most loyal dog! He absolutely loved playing with empty water bottles (his favorite were the great value brand for some reason lol), tennis balls and his sumo. He was trained well by my husband and always did what was asked of him. In fact, moments before his passing my husband gently asked him to lay his head down and he did. Buster brought us so much joy and laughter! He was known for being so vocal and sneezing his head off when excited lol. Buster gave us 11 wonderful years and he will always be deeply missed! We love you Buster!!
