

Calley

October 2, 2023

"Calley was found as a very small kitten in an alley. She was so frail, had to be fed every 4 hours with kitten formula to survive and I did all of this while still in High School. The bond between me and this precious baby is indescribable. She has my whole heart and nothing will ever change that. I will never have a love as deep as I did with this Sweet Little Bitch. I'm Furrever grateful I can at least have a part of her with me always, a part that is no longer in pain."
