

Charlie Rios

February 4, 2025

In 2018, a special cat, Charlie, came into our lives when we rescued him and he quickly became a beloved member of our family. For seven wonderful years, he found a second home with my grandma, who adored him deeply. Together, they shared many peaceful afternoons, taking long naps and enjoying each other's company. He was more than just a pet; he was her gardening companion, always by her side as she tended to her plants. His presence brought joy and comfort to my grandma, and he will always be remembered for the love and happiness he brought to our lives.
