

## Chico

December 7, 2010 - January 17, 2023

Chico was born 12/7/2010. He lived to be 12 years old! He had big ol puppy eyes that never stopped melting your heart even as he got older. He was the healthiest dog, the sweetest dog, and also the most stubborn. Nonetheless, we loved him and he loved us. 12 years is a long time for a dog, but it's not long enough for us humans. We miss you buddy, more than you know!
