

## Chiquita

July 25, 2024

I got Chiquita when I was 9 years old & she lived to be almost 15. She was the most sweetest, loving & caring dog. She loved to be outside & at the park. Chiquita also loved food & her baby Chino just as much.

Chiquita was loved so much by her family including her human mama, dad, uncles, & grandparents. Most of all her brother, Ayden. Even though she was terrified of him, he loved her so much.

You will be SO missed my baby girl!
