

Chloe

April 7, 2023

Chloe and I grew up together, she's my first love, and is a huge part of me. I will always miss her cuddles and kisses. She's sweet baby and my pretty girl.

“ *Chloe loved attention if you weren't loving on her she would huff at you like she was annoyed. She grew up with my daughter and had an amazing life. Have fun in heaven Chloe we will miss you!* ”
