

Cinch

July 20, 2025

Our sweet Cinch boy came into our lives on February 14, 2011. Cinch was the absolute best dog anyone could ask for. Loyal, protective and loved his Momma and brother so very much. We will miss him chasing the school bus and UPS man, trying to coax the squirrels out of the powerlines and demanding treats and dinner when it was time. We are blessed that we had 14 special years with him, but it wasn't near enough. We love you, Cinch Jeans and cannot wait to see you again.
