

Cur Fur

October 27, 2025

Cur Fur was born April 2014 in New Mexico, left us October 27, 2025 . I am Molly, his mom. He was my self appointed protector and best friend that I loved so very much. He was with me almost constantly since he was given to me October 2014. He traveled with me to many places in Texas and to Louisiana, Oklahoma, Colorado, Kansas, Nebraska, South Dakota and Arizona. Anytime he thought I was going somewhere he was instantly by my side ready to go. He was an amazing companion that I miss everyday more than I ever imagined. How I wish you could have stayed longer, life won't ever be the same.
