

Denver

September 18, 2025

Denver was born 8/30/2016 and went home 9/18/2025

Denver was the most gentle of all giants. He loved everyone and other animals. Denver had the sweetest soul and was always a sight to see especially when he would stand up on the side of the pickup truck riding down the street. People would always look in awe and take pictures of him. Denver our home is empty without you but your love echoes in our hearts forever!
