

Dink

May 2, 2020 - November 13, 2023

Dink, only 3 years old, was our baby. He was born May 2nd, 2020. He was the smartest dog we have ever had. He never barked at anyone. Instead he would try to talk to us with a huff and puff and the cutest look on his face. He gave kisses on our foreheads and snuggled under the blanket after he made his own little cave. He was loved and will be missed tremendously. We cannot imagine another dog being as good as he was. An irreplaceable family member to our little family. We love you DinK and we feel better knowing you are with God.
