

Doda

May 31, 2008 - October 20, 2023

This girl was one of a kind, she brought us more joy than I can ever put into words. She was so smart, such a little character & did the funniest things, she loved her family, her backyard, squirrel patrol, going in the car (especially to her Granny's house) she loved people and loved mothering puppies even though she never had any of her own. She loved her squeaky balls, sitting with Dad in the recliner, lots of snacks, following the babies around to steal food out of their hands and going to the lake on the boat, she was a true lake girl.

There will never be another like her and she will never be forgotten ♡
