

Duke

August 31, 2025

Duke Blue was born on December 17, 2014. He became a part of our family 6 weeks later. Duke LOVED his lamb chops. He had a large collection, and loved when we added to it. He was loving and protective. He loved his "siblings," loved to sing with his sister and loved to chase the birds and squirrels in the backyard. Duke crossed the rainbow bridge to be with his brother Smokey on August 31, 2025.
