

Ginger

December 1, 2010 - June 3, 2023

Ginger was born 12-1-2010, and our sweet baby girl crossed the rainbow bridge 6-3-2023. We rescued Ginger when she was 1, and she was the biggest blessing we could have asked for. She loved her squeaky babies and always stole her sister Molly's squeaky toys too. Ginger had the sassiest little walk and her appetite never ceased to amaze anyone who met her food was her favorite. We are so heartbroken she is gone but know she is in a place where she is pain free and so happy. We will forever miss her.

“ I had many lovely visits with Ginger and her sis Molly. All about the food and toys, beautiful little girl. Rest in peace little lady.....you and Snickers tear up that Rainbow Bridge 🌈🐾
