

Ginger Renteria

June 14, 2026

Our sweet, loyal girl, Ginger.

There will never be another like you. From the moment we picked you out at the shelter, we just knew you belonged with us. Your lovable, energetic spirit was impossible to miss. We were blessed with nine amazing years by your side, but somehow it still doesn't feel like enough. You were our protector, but more than that, you were such a huge part of our family. You loved everyone you met and were the best sister to Winny and Max. All you ever wanted was love, and to be cuddled. Your dad was your everything. You could see him twenty times in one day, and every single time you greeted him as if you'd been apart forever. The love you had for your family was unconditional, and we were so lucky to be loved by you. We miss you more than words can say. Until we see you again, Gingy, play with all the butterflies in Heaven. We love you so much. You will never be forgotten, beautiful girl.
