

Gizmo Bear Gremlin

March 7, 2023

Gizmo Bear Gremlin, just 2 weeks shy of her 3rd birthday before she crossed the rainbow bridge on accident. Forever in our hearts, we'll always remember her roos as she greeted us, her sassy attitude, her velvety ears, her droopy lazy eyes, and her precious little under bite. She was always the one to cheer up everyone around her as she would melt into your arms if you let her. She gave the very best cuddles with her pudgy little self. Always remembered, never forgotten. You left your big paw prints on our hearts.
