

## Guiny Sanchez

December 18, 2020 - December 22, 2024

GUINY was able to start her life journey with me December 18 of 2020, and sadly passed away December 22 of 2024. Guiny, was such a lovable guinea pig, she would always be wheeking for something especially for treats, and also would do tricks, I thank god for sending such a small and kindful little friend that was able to stick by me for 4 long years of her life, I will always carry and cherish all the good memories we created with each other with along that I was able to be her friend as well.
