In Loving Memory of George Mayfield "Mr. Wiggle Butt"

It is with heavy hearts that we announce the passing of our beloved Beagle, Herman, who left us peacefully at the age of 8. Known affectionately as "Mr. Wiggle Butt," Herman brought joy, love, and boundless energy into our lives.

From the moment he entered our home, Herman's playful spirit and loving nature were a constant source of comfort. His signature "wiggle" ---- a full-body shake of excitement ---- became an iconic part of our daily lives, and he had an uncanny ability to brighten even the toughest days with his goofy antics. Whether he was chasing after the squirrels in the backyard, enjoying his favorite snacks, or snuggling up on the couch or in the bed, Herman was always there with his warm presence.

Herman was a mighty protector, especially when it came to his beloved "mom." He always kept a watchful eye on her, providing an unwavering sense of security that only a dog as devoted as he could offer. His loyalty was unmatched, and he had a way of making everyone feel safe and loved.

Herman's love for snacks was legendary ----- from his daily meals and treats, he never missed an opportunity to make sure he got his fair share (and then some). Yet, his true gift was in his ability to love unconditionally, offering

affection and comfort to anyone who needed it.

As we say goodbye to our sweet 'Mr. Wiggle Butt," we are filled with gratitude for the eight wonderful years we shared with him. Through his physical presence is no longer with us, his memory will live on in our hearts forever. Herman was more than just a pet ---- he was family, and he will be deeply missed.

Rest in peace, sweet boy. You'll always have a place in our hearts and will see you when we get to Heaven.
