

## Iggy Ramirez

July 19, 2019 - October 14, 2024

Iggy was loved by so many. We were able to have Iggy for 16 wonderful years. Iggy leaves behind his human mom Amanda, two human sisters Aubrey, Amiah and one human brother Jermius, and his furry brother Zero. We know he's in heaven eating all the bacon treats with our loved ones who have passed on. He will be missed always and forever.
