

John Doe

October 20, 2025

JOHN DOE was the best dog I ever had. He was my VERY VERY BEST FRIEND in the whole world. John Doe saved my life, really we saved each other. He was the VERY BEST BOY. He didn't care if we were playing outside or riding bikes or just chilln on the couch for movie night he just wanted to be where we were and be involved with EVERYTHING. We LOVED him so much and it will never be the same without my baby. You will be missed forever my "BUGGA BOY".
