In Loving Memory of Kado

March 8, 2014 – January 2, 2026

With heavy hearts, we say goodbye to our beloved Doberman, Kado, who passed away on January 2, 2026, at the age of 11.

Born on March 8, 2014, Kado brought joy, laughter, and boundless energy into our lives from the very beginning. He was fun-loving and full of personality—sometimes hectic, always unforgettable. He kept us on our toes and filled our days with motion, noise, and love.

Kado was fiercely loyal and deeply devoted to his family. He had a presence that could not be ignored and a heart that left a lasting imprint on everyone who knew him. His playful spirit, expressive eyes, and constant companionship gave us countless memories we will treasure forever.

Though our time together was never long enough, we are profoundly grateful for every moment we shared. Kado was more than a dog—he was family, a protector, a comfort, and a best friend. His absence is deeply felt, but his love remains with us always.

Run free, sweet Kado. You will forever live in our hearts. 🐾🐾
