Kam (a.k.a. kam buddy)

June 2014 - June 2025

Kam was the bestest best friend we could have asked for. He was always so good, not just for or to us, but friends and family too. He really was a gentle giant. He was well known and loved by so many of us. Our loved ones treated him just like one of the kids. He was always the first to get greeted by visitors and they always made sure to tell him bye. Even other dogs in the neighborhood would come by to see him. Kam loved to be included in all our gatherings and activities but also enjoyed lounging in his pool, just "people watching". We definitely got more than we bargained for from him but (I think we can agree) we wouldn't want it any other way? Kam was more than just a pet to us, he was family, a friend, our baby. To our Kam Buddy: We love you so much bubba. Dad talks about you every day. You are truly missed. ♡
