

Kimber Neal

June 9, 2026

Kimber was the best cow dog anyone could have asked for. Loyal, intelligent, and exceptionally well-trained, she worked with confidence and heart, always eager to do her job and never letting her people down. Her devotion was unmatched, whether she was moving cattle, traveling in the truck, or working side by side with those she loved. Kimber had a special way of understanding exactly what was needed, combining strength, grit, and gentleness in equal measure. More than just a working dog, she was a trusted partner, a faithful friend, and a cherished member of the family whose memory will live on forever.
