

King Bob

September 27, 2025

King Bob, also known as “Bobber,” was a purebred English Bulldog born in San Angelo Texas. He loved to go on walks, play ball, and “the bite game” where he would playfully attack our hands and feet. He loved sitting in his swimming pool, but mostly loved his 30 naps a day. He was the best boy, my best friend and we loved him with our whole hearts. He will be loved and missed for the rest of my life.
