

## Kloie

November 8, 2023

With a heavy heart Kloie Marie lived a short but happy life. She was born on Thanksgiving day just 2 years ago. Kloie is survived by her human family Leslie, Johnny and Brooklyn.

Her and her older furr sis pickles were the best of friends, they did everything together. She also was loved by her furr brother scooby. She was very smart and knew how to “speak”(bark) when she wanted something. She was very attached to her human momma, and knew how to protect her family from strangers if she needed to. She also loved car rides, and her treats. Her family misses her more than words can explain. Until we meet again at the rainbow bridge Kloie Marie we all love you so much.
