

Lady Abigail Sage

July 10, 2006 - January 11, 2023

Lady Abigail Sage of Palisades was born on July 10, 2006. She joined our family on 9/21/2006. Her sweet and feisty spirit was just what we needed to heal our hearts after a rough year from losing our first child in a miscarriage. She was placed in my arms on the same date as we had originally thought our newborn baby would be born. From the moment I saw her, my heart was full. She brought many years of love to our family. She spent her senior years in my piano studio listening to my students play. She loved the sunshine and snuggling with her family. She will be missed more than words can say. I love you baby girl. I will see you again one day
