

Laverne

August 27, 2025

We adopted Laverne from the shelter in 2016. We don't know her true age but she brought many years of joy to us. Although tiny, she was fierce and wasn't afraid of anything. She loved to go on the semi truck with her dad. She has traveled the country. She also loved camping. She was her dad's best girl and now they are together again. She will be greatly missed.
