Lily was the most perfect sweetest girl , she loved to sit in the sun and let her ears flow through the breeze she loved taking naps and getting cuddles from her mommies and she loved laying with her sister Cielo and brother Hachi . Stubborn at times but always faithful and loyal . Lily brought us so much joy and happiness throughout these 14 years. Lily was my baby and my best friend . I loved you your whole life I'll miss you the rest of mine. I'll find you again in the light . Momma A
