November 18, 2023

Mariyah was a big teddy bear she loved so many people but most of all her mama, wherever mama was that's where she wanted to be. Her heart was so big and she loved her toys most of all her balls she was so energetic and happy all the time. She loved to cuddle. She would never let her mama go to sleep alone she did take the whole bed and that's ok we would hold each other when we slept we both had to have our head on the same pillow whether it was our heads touching our legs or hands touching we couldn't sleep without one another. She was so fiercely loved by everyone who knew her and she so fiercely loved everyone in return. I miss her so much Mama loves you so much my baby. She wasn't just a pet to me she was my entire world my child my baby. I don't know how I'm ever going to be ok baby but mama knows wherever you are you are so loved.
