

## Max Walker

May 8, 2026

Max Walker was are beautiful boy. He became part of our life in 2016, because this mamma got lonely when all the kids were in school. He was this momma's company and while the kids were in school and daddy was on the road he was my baby to take care of and I was his mommy and our kids loved him and his brother. We took his brother Duke also because we didn't want them separated. He was my kids best friend, he was loving,playful,loved to eat, especially peanut butter snacks my daughter would make. We will love you my beautiful boy and miss you always.
