

## Milo

September 19, 2024

We adopted Milo in October of 2021 and from the get go he was so feisty and full of life! He loved to play and was very keen on his kitty treats. He was an orange cat that had the true spirit and personality of an orange cat! He loved hugs and cuddles from his people. He loved watching out the front door and reaching under the door to grab the leaves!. Milo has a little cat brother named Blaze and 1 little/big dog brother named Sergeant and 1 older dog sister named Maya. Milo loved playing with his brother blaze and loved their afternoon cuddles

He is proceeded in death by his little bunny brother named Thumper and a little human sister named Olivia.

We all love you Milo. Chase thumper around and keep your sister safe,  
Hunny.

Love,

Mommy, Daddy, Sister, Blaze, Maya and Sergeant
