

Nala

July 5, 2023

During the spring of 2022 my oldest daughter set out to find the perfect gift for her sisters' birthday. Madison saved all summer and was able to bring Nala home to Kaitlyn in August.

Kaitlyn kept Nala close and would take her on rides in her car. Nala was a fun spunky little kitten that loves attention and a good cuddle.

Madison Kaitlyn and their youngest sister Jeslyn passed away in December due to motor vehicle accident. Nala hid, wouldn't come out for week. It took her awhile to open up and become her normal little spunky self. She became more familiar with the other animals around the house and just wanted to snuggle with every one of them. She was even caught multiple times in bathtub babysitting the bearded dragons while they soaked in water. Nala will be greatly missed but she is now reunited with Kaitlyn again. Both loved and missed each other dearly. Two bonds that wasn't meant to broken and to united for the rest of eternity. I will miss them all endlessly.
