

## Neo

November 18, 2024

Neo was a feisty little guy. The 14 years of being with him brought so much laughter. He loved spending time with his human, showing off his favorite Squeaky bone and hiding it so no one will get it. He will be forever loved and missed.

Rest Easy Sweet Boy.

“ *I still see you around the house Neo.....I hope you know you're a good boy. You are loved and missed.*
