

Nugget

January 14, 2023

Nugget was a very special dog. We were so blessed to have him for 4 years,, Nugget grew up in Colorado. When his human Mom got sick he was her comfort dog. When she had to go to a nursing home we were blessed to find him. We were looking for a dog and he was looking for a home. Little did we know he was very special. He loved everyone he met and he had a big impact on them with his big smile. He just touched hearts. He loved kids. The neighborhood kids would come and ring the doorbell and ask if Nugget could come out and play. Nugget and I walked at the park and he had everyone wrapped around his big ol' paw. Nugget loved car rides, he went everywhere we went. Nugget was all heart and kindness and a perfect gentleman. Our hearts are broken. Thanks to the people at Furrever Pet for their kindness and thoughtfulness.
