

## Nutmeg Gray

January 18, 2026

Nutmeg was a sweet cat who brought so much joy and comfort to everyone. Though she spent most of her life as a stray, Nutmeg enjoyed 4 wonderful years with her family. She was loved, fed, and spent lots of time playing with her brothers and sisters. She enjoyed sitting in our laps and relaxing. She enjoyed stealing our food when we weren't looking. She loved to sit in the sunlight and gaze outside. We will always love and miss Nutmeg, and we are forever grateful that she chose us to spend the rest of her life with.
