

Pablo

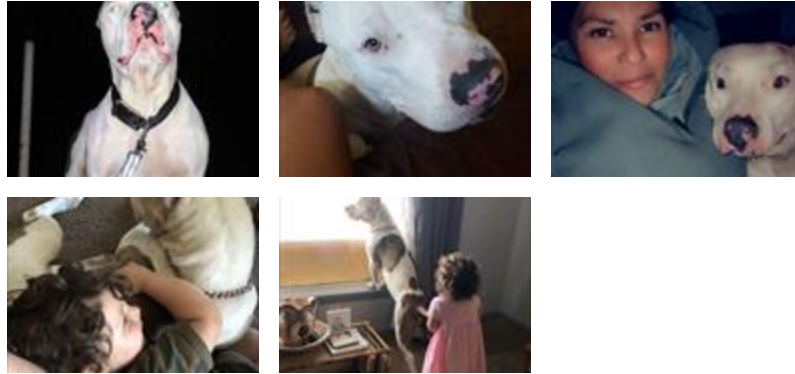

January 28, 2025

Pablo was our little (big) cuddle bug, ensuring safety when Dad was away. Now, he's joyfully reunited with Dad, frolicking in puppy paradise. At Heaven's Gates, we know Dad embraced him with open arms. His absence leaves a void; he was a beacon of love and light. He uplifted Mom during her toughest days. We will cherish his memory, forever missing our furry friend.
