

## Panda

January 17, 2026

Panda was the sweetest and smartest girl. She was so agile and loved to run and be wild. She gave so many kisses. She was so emotionally intelligent and was the best emotional support animal for me. We miss her presence and the abundance of love and kisses she gave. She was simply the best girl in the whole world. She had so many nicknames like (Panda Puss, Wittle girl, Panda Pusswa, and so many more. Rest in peace Mommy and Daddy's Babygirl.
